# TAFE WORKSHOP: RECOGNISE AND RESPOND TO DOMESTIC AND FAMILY VIOLENCE

This TAFE workshop will be online over two evening sessions and is for businesses with forward facing customer services workers such as hairdressers, beauticians, cafes, pharmacies, bottle shops and others. It aims to provide the participants with the knowledge and skills to assist members of their community who may be experiencing or are impacted by domestic violence to seek support.

Participants will learn more about

- what is domestic and family abuse/violence and what forms it may take
- how to recognise signs that abuse may be occurring
- how to respond appropriately in these instances
